TS 400S Cylindrical Screenprinting Machine

The Mascoprint TS 400S is a floor mounted semi-automatic cylindrical screen print machine, which gives a relatively large print area for its size.

The machine is designed to give maximum flexibility and with the appropriate tooling can be used for most cylindrical items eg. bottles (round or oval), pens, tubes, mugs etc.

The print cycle is activated by a foot pedal with independent buttons to use when setting.

Features

- Microprocessor controls for each function.
- 4 Digit built in counter.
- Auto balanced squeegee for even printing pressure.
- Adjustable worktable up/down and X-Y
- Double acting squeegee and flood coating.
- Adjustable printing speeds.
- Adjustable screen arms
- Foot pedal operation
